We love this song from [Sovereign Grace Music](#), so much that it's become a bit of an anthem for Celebration Sunday. Get ready to sing it together on Sunday - not once, but twice!

# PRAYER POINTS

SUNDAY - Give praise that Christ is the King of the world. He demands creation, and us creatures, worship!

MONDAY - Whatever our circumstances we pray that Jesus might be on our hearts and lips. Might we always be reminded of things which make our hearts sing. Things which God, our loving Father, has done or placed in our lives. And might our hearts sing of the good news, so that our community might be able to experience the love of God found in Jesus.

TUESDAY - We praise you Lord that we are united in Christ. Thank God that he has given us each other to do life with.

WEDNESDAY - Confess that our lips and lungs sing of unworthy causes - we need a reason to truly sing.

THURSDAY - As we seek to love each other may God help us to be empowered by His spirit so that we might be full of love, patience, forgiveness and grace, and that God might be glorified and that we might be united.

FRIDAY - Pray for our Global Mission partners - that God might be producing good fruit in their lives and the lives of those they are ministering to and discipling. Might they be full of thankfulness as they serve God's kingdom and please put people in their lives who can love and support them.

SATURDAY - Ask that our voices would sing for all eternity of our King, Jesus, the Loin, who was the Lamb, that was slain for us.
