HOLIDAY PRAYER POINTS

- Praise God that he's made himself known to us!
- Confess that we've denied Him and gone our own way. Also, for when we've ignored that there is clearly a God, yet desired to live apart from him.
- Ask that we would rightly recognise our maker and bring Him the praise and glory that He so rightly deserves.

- Give thanks with our sister M, for the opportunity to spend time with family and friends whilst in Australia and safe travel back to her city.
 - Continue praying with M as she and her team seek discernment in how they spend their time and help them to keep prayer as a focus.
 - Ask God to help M, and us, depend on Jesus.
 - Pray for Stew as he serves the Church of Central Africa Presbyterian. Pray that he would be adequately prepared for the intensive at Presbyterian Theological College in Harare and that the truths of God's word would ward off false teaching and find a home in the hearts of African Pastors and that their hearts might sing in extravagant worship of Christ.
 - Pray that our ministry teams would enjoy a refreshing break over the holidays and give thanks for those serving in our holiday kids program.
 - Pray for those travelling during the holiday break.
 - Give thanks for the Northern Rivers Presbytery and that they are preaching for us throughout the holidays. Pray for the members of our preaching group who are preaching across the Presbytery too.
 - Give thanks that there are so many things that make our hearts sing! Ask for God's help to keep singing, even when things are hard.
